

INVITATION TO BID

South Asia Partnership Pakistan (SAP-PK) invites sealed financial bids from registered and qualified construction/engineering firms for the fabrication and installation of **Tow-Type Mounted Trolley Solar Systems** under the project “*Peoples' Actions for Climate Resilience (PACR-I)*.”

Scope of Work

District Dera Ismail Khan

1. **Construction, installation & commissioning** of Tow-Type Mounted Trolley Solar Systems (models SMT-24M & SMT-48M) for 14–22 kW solar arrays.
2. **Electrical integration**, complete wiring, protection devices, and safe operational setup of tow-type trolley solar units.

District Rajanpur

1. **Construction, installation & commissioning** of Tow-Type Mounted Trolley Solar Systems (models SMT-24M & SMT-48M).
2. Electrical integration and commissioning of tow-type trolley-based solar systems as per provided technical specifications.

Eligibility Criteria

Participating firms must submit valid copies of the following:

- SECP Certificate of Incorporation
- FBR Active Taxpayer registration
- PEC Registration (relevant category)
- Minimum **five years' experience** in solar energy, mechanical fabrication, or similar engineering works
- Qualified technical staff & available machinery/equipment
- Updated company profile with contact details

Bid Documents

- BOQs, drawings, specifications, and ToRs can be downloaded from www.sappk.org
- Hard copies may be collected from SAP-PK Office (09:00–17:00)

Submission Guidelines

- Submit bids in **sealed, clearly labeled envelopes**, addressed to the Procurement Committee.
- **Deadline:** 24 November 2025, 17:00 hrs

- **Bid Opening:** *Same day at 11:00 AM* at SAP-PK Office in presence of bidders' representatives.
- Late or incomplete submissions will not be accepted.

Disclaimer

SAP-PK reserves the right to reject any or all bids without assigning any reason, in accordance with donor procurement and transparency policies.
