

Mr. Mahmood Ahmad has been serving South Asia Partnership Pakistan (SAP-PPK) as "National Program Manager" since 2006. During this period he has coordinated, supervised and managed "Strengthening Democratic Governance Program (SDGP)" from 2006 to 2009 in Punjab, KPK, Sindh and Balochistan jointly funded by Canadian International Development Agency (CIDA) Canada and Swiss Development Cooperation (SDC).

He has developed and coordinated 750 Community Physical Infrastructure (CPI) schemes, 53 Integrated Water Efficient Irrigation Projects, 3 Livelihood Enhancement programs, and Community Health and Education Improvement Projects for from 2007 to 2016 in KPK, Punjab and Balochistan with the financial assistance of Pakistan Poverty Alleviation Fund (PPAF) Islamabad.

Currently, he is coordinating SAP-PK's Program Management Unit (PMU), mainly responsible to review progress of on-going projects/programs and also responsible to conduct follow-up of PMU decisions. He has 24 years of working relationship with SAP-Pakistan. He has represented SAP-Pakistan at various provincial, national, South Asian and International forums.
